

# MPCA Feedlot Performance

## BWSR Grant Profile

February 4, 2016

### Grant Description

These grants are allocated by MPCA based on past performance, and were distributed annually on the NRBG grant agreement through fiscal year 2015. Beginning in fiscal year 2016, new Feedlot grants will be administered directly through MPCA, and new grants will not be managed in eLINK. Grantees should continue to report on any open Feedlot grants in eLINK from fiscal year 2015 and prior through grant closeout.

### Reporting Overview

No eLINK reporting is necessary for MPCA Feedlot Performance grants. However, the grant agreement is distributed through eLINK, and an executed grant agreement is required for BWSR to disburse funds.
