

Wetland Banking Training Dates

US Army Corps
of Engineers®
St. Paul District

The MN Board of Water and Soil Resources and the US Army Corps of Engineers are holding a one day training workshop on topics relevant to wetland banking in Minnesota.

When?

Brainerd: 9am-4pm, April 2nd 2019

Bloomington: 9am-4pm, April 4th 2019

Intended Audience

Wetland bankers, consultants and others involved in the preparation of wetland bank proposals or the management of existing wetland banks. Training events on other regulatory related topics will be held later 2019/2020, stay tuned.

Preliminary Topics to be Covered

- Engineering design considerations for the Prospectus and Mitigation Plan
- Updated tools for completing the credit allocation table
- Program updates from each agency (banking fee policy, new and updated guidance, annual transaction data, form revisions, Corps team approach, etc.)
- New procedure for crediting wetland restoration projects on cropped fields
- Developing performance standards and credit release schedules

Additional information on these training events including an agenda, logistical information, and a request for RSVPs will be shared no later than the week of March 11th 2019.

Please check BWSR or Corps websites for these updates.
